

Appl. No. 10/066,511
Amdt. dated August 15, 2005
Reply to Office Action of May 16, 2005

REMARKS

The Examiner rejected claims 2-7 under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In response thereto, applicants amend claims 2 and 4 to overcome the Examiner's rejection. With this amendment, applicants believe that claims 2-7 of the application as presented are in condition for immediate allowance and such action is respectfully requested.

Respectfully submitted,

Richard Alan Lambert, Reg. No. 32909
Attorney for Applicants
